PROFILE

I am a software developer from Barcelona. Throughout my life I have established myself as a creative-thinker with great passion for technologies. Graphic design, music and programming are some of the fields I enjoy the most. With that, I am always willing to humble myself to continue growing as both a developer and as an individual.

SKILLS

- React Native
- Angular, Ionic
- React JS
- UML & Design Patterns
- NodeJS, Express, Django
- Agile Methodologies (Scrum, Jira)
